

Timer Connector

Integrated timer for solenoid valves GEM-SOL series

On / Off time range	up to 24 hours (hh:mm:ss)
Timing	<ul style="list-style-type: none">• On delay• Off delay• Sequential timing options are fixed. Any timing combination can be pre-ordered from Baccara.
Temperature range	-20°C to 100°C
Voltage range	<ul style="list-style-type: none">• 110V AC ±15%• 24V AC ±15%• 230V AC ±15%
Maximum coil power	• AC : 8W
Connector	DIN 43650
Connector cable	• AC : 3x0.75 mm ² , 1m length Cable included
Standard protection class	IP65
